

August Update from Ollie

G'day again boys,

The first thing I want to tell you all is that the misunderstanding that happened earlier this week has been resolved amicably, so its business as usual. The less said about it the better, but what I can tell you is that the "email" is a great invention and it has brought the world a little closer, but it does lack a couple important ingredients - emotion and context. Thus the misunderstanding, but adjustments have been made. S*** happened and we've moved on.

Anyway, I think some of you know there was a mini reunion held on the Sunshine Coast last weekend, thanks to hard work and efforts of DK, Barney, WD and Rick. A big thank you to those guys for putting it together in such a short time. By all accounts it was a sensational weekend, with the amber fluids and bull***** flowing with gay abandon. Apparently Barney and Sambo kept the boys entertained, trying to out-do each other with the tall tales and one-liners. I might do a survey of those who attended to find out who was the biggest BULL***** ARTIST was :o)

No word yet on what plans are currently in place for a similar event in Victoria, but I hope Ian and Mitch can provide an update to all of us soon. My understanding was that a date was being finalised for October. If I hear anything I'll let you know. And it would be great if someone from NSW and WA organised a Mini Reunion for those two States some time this year. Someone just needs to find a suitable date and a venue. Any takers??????

And now to who I've found since the last update.

1. Ross Hinton - living and working in Cairns. I'm not sure if I mentioned Ross in my last update, but to make sure he gets a mention I have included him in this one. If you know Ross, send him an email and say g'day. Welcome Ross
2. Gary Horsley - Living and working in Lima East, near Benalla Victoria. I spoke to him recently and unfortunately he doesn't have an email, but if you want to call him, let me know and I'll get in touch with him.

And I've found the following boys through the Electoral Rolls, but they don't have telephone numbers apparently. If someone near these locations would like to help verify these guys, I'll give you the address and you can check them out for me.

1. George Santoro - Ellenbrook WA
2. Peter Haseldine - Lansdale PERTH WA
3. Glen Moon - Coral Bay QLD
4. Chris Dando - Frenchs Forest NSW
5. A Benson - Albany WA
6. Eamonn Gosney - Kalgoorlie WA
7. Joe Metcalfe - Nome QLD
8. Ian Rogers - Subiaco WA
9. Derek Mallon - Coo loongup WA
10. Timo Asujamaa - Thornlands QLD
11. Arpad Papp - Karrinyup WA

And I hope your football team wins this weekend, but I want the Crows to smash the Bombers, the Bulldogs to slaughter the Cats, the Lions to claw the s*** out of the Blues,

and of course the Saints to pulverise the Pies. And for those who follow the NRL, I hope your team.

And finally I'm not going to remind you if you haven't sent certain details to certain people :o) You know who you are and you know what to do.

Ciao for now,
